MEMORANDUM FOR THE RECORD

SUBJECT: Cuba Missile Crises Display in Headquarters Building

1. On 15 June, the undersigned met with Mr. Brugioni of NPIC to discuss the forthcoming (1 October time frame) Cuba Missile Crises Display in the Headquarters Building. Mr. Brugioni, one of the action officers on this matter, stated that this display was being put on at the request of Mr. Colby, Executive Director Comptroller. Mr. Brugioni further stated that this was to be a "first-class" effort and that it could last as long as six to eight months. The display will be in the "A" Corridor of the Headquarters Building and is to consist of U-2 photographs, the B Camera, and other assorted documents and pictures relating to that crises situation.

2. I asked Mr. Brugioni what specifically was required of OSA on this matter and he replied:

- a. The B Camera System
- b. Pictures of the U-2C
- c. Any other thing that would help make this effort a success; i. e., a partial pressure suit, etc.

3. Subsequent to this meeting I talked with [redacted] DD/S&T, and received from him the fact that this is a valid requirement and that OSA was to give assistance on this program, as required. I have alerted [redacted] D/M/OSA, and [redacted] to the possible future efforts and/or hardware that we will be required to provide for this dog and pony show.
